WHO WE HELP

One platform. **Three audiences.**

Tenants | Owners | Managers

Your building, finally organised

No more WhatsApp groups, printed notices, or guessing when the laundry room is free. Everything you need as a tenant is in one place.

- **Direct communication** — with management — no lost emails or unanswered calls.
- **Maintenance requests** — submitted and tracked in real time, with full status visibility.
- **Book shared spaces** — parking spots, and shared spaces — instantly, conflict-free.
- **All documents** — contracts, house rules, protocols — always accessible, always up to date.

HOW IT WORKS

Up and running **in three simple steps**

No complex setup. No technical knowledge needed. We handle the onboarding so you can focus on what matters.

01

Tell us about your building

Share your building details — number of units, current challenges, and what you need most. We tailor Tenants10 to your specific situation.

KEY FEATURES

Everything a building needs. **Nothing it doesn't.**

Four pillars that cover every aspect of daily building management — from the first message to the last document.

Centralised Communication

Replace fragmented WhatsApp groups, email threads, and paper notices with one structured channel. Every message is logged, searchable, and attributed. Building-wide announcements — private threads — you choose who sees what.

Maintenance & Ops

Tenants submit requ Managers assign, priorit every ticket from repor No phone calls, no follo no lost requests. Full tr everyone involved.

OUR PROMISE

SAVE TIME OR KICK US OUT.

We don't believe in long contracts or complex onboarding. If Tenants10 doesn't save you time within the first 30 days, you walk away. No questions. No fees.
